The University of Chicago Harris School of Public Policy

Dear Cristian,

Congratulations!

I am pleased to inform you that you have been admitted to the Master of Science in Computational Analysis and Public Policy (MSCAPP) at the University of Chicago Harris School of Public Policy. We believe you will bring tremendous value to our program by making a unique contribution to our intellectual culture and global community. You should be proud of your accomplishments thus far, and we hope you will take pride in this offer of admission to Harris.

Your next step in securing your place in the Fall 2019 entering class is to complete the [Admission Reply Form](#) and provide a \$350 non-refundable deposit. **Your deposit deadline is May 15, 2019.** You can also find valuable information on our [Admitted Student Website](#), and we invite you to join the Harris Public Policy [Incoming Class of 2019 Facebook group](#).

We are looking forward to you making Harris Public Policy your academic home. In joining us, you will become part of a community committed to addressing the world's most complex policy challenges through evidence-based problem solving. This is an exciting time for public policy, and I am humbled and inspired by your passion.

Congratulations again on your well-deserved admission. We are excited to offer you this next step on your journey and look forward to seeing what you will accomplish with your Harris degree. □

Sincerely,

Ranjan Daniels, AM'94 □

Senior Associate Dean, □ Student Recruitment & Global Outreach
